WAYS TO MAKE IT WORK

Plan outfits IN ADVANCE

1

Clothing choice is very important when shooting in the bluebells. The base colour palette is going to be quite an acidic green along with vibrant purple/blue. Ideally your clothing needs to fit with this colour scheme so I recommend opting for neutral tones such as cream, grey, light pink. As tempting as it is, try to avoid matchy matchy siblings outfits and include closed footwear.

If you're unsure, send me a phone shot of your outfits a week or so before your session and I'll take a look. I also have a few outfits which can be borrowed if needed. And check out my pinterest board for inspiration too.

It's all about **THE LAYERS**

This time of year can be sunny one moment and showery the next. Layer vests under a shirt or dresses under jackets, cardigans or jumpers. Add a hat for a bit of fun or a pair of cowboy boots or wellies if the Spring showers have visited!

Add variety to your images by mixing things up by removing or adding layers midway through your session.

CHECK DIRECTIONS

Check your confirmation email for directions to the mini session location. If you need additional information feel free to get in touch or call me if you lose your way enroute.

30 MINUTE SESSION

These sessions run back to back so ensure we get the full 30 minutes to capture your images and in a fun and engaging way it really helps to arrive on time.

KEEP IN TOUCH

I realise sometimes with the best will in the world plans don't always pan out - if you know you will be late call me as soon as you can and I'll do my best to fit you into the schedule.

EAT

Avoid 'hanger' moments and ensure your children have been fed and bring along a snack and drink.

SLEEP

Where younger children are concerned book a timelot which fits their nap times.

PREPARE

Tell your children about the photography session in advance, more importantly about the fun we'll be having!
